**REVENUE MEMORANDUM ORDER NO. 21-2014**

**SUBJECT :** Prescribing Policies, Guidelines and Procedures Relative to the Frequency of Deposits of Internal Revenue Tax Collections by Revenue Collection Officers (RCOs)/Special Collecting Officers (SCOs)/Other Collecting Officers (COs) to Authorized Government Depository Banks and the Imposition of Applicable Sanctions/Penalties for Violations Thereof

**TO :** All Internal Revenue Officials, Employees and Others Concerned

---

**I. BACKGROUND**

Ministry of Finance Order No. 20-73 dated June 14, 1973, as amended by the Joint Circular No. 1-81 by the Commission on Audit (COA) and then Ministry of Finance, and further amended by the Department of Finance Order No. 56-92 dated May 22, 1996 and Section 69 of PD 1445 as well as Section 21 of COA Circular No. 2002-002, prescribed the frequency of deposits of national collections direct to the Bureau of the Treasury and/or through any of the Authorized Government Depository Banks (AGDBs). In the latest COA Memorandum No. 2013-004 dated July 9, 2013, it prescribed that *“Collection Officers shall deposit all their collections as well as collections turned over to them by sub-collectors with Authorized Government Depository Bank (AGDB) daily or not later than the next banking day. Where collections are minimal and daily deposit thereof becomes costly and impractical, the COs shall deposit their collections at least once a week, or as soon as the collections reached P 10,000.00 x x x x”*.

Likewise, Section III. Policies and Guidelines, Item No. 7 of Revenue Memorandum Order (RMO) No. 7-2007, as amended by RMO No. 8-2008 and further amended by RMO No. 8-2009, prescribed the strict compliance of the above-stated issuances relative to the deposit of collections to the AGDB.

However, there are instances when the set collection threshold and frequency of deposits required to be made by the RCOs/SCOs/other COs are considered impractical due to the following circumstances:

1. The internal revenue tax collections of RCOs are usually substantial in amount only during deadlines. During ordinary days, the collections are minimal;
2. The tax collection from the taxpayers by RCOs assigned in lower class municipalities are relatively small in amount;
3. Due to the distance between the work stations of some RCOs/SCOs/COs and the concerned AGDBs, the daily/weekly travel from the municipality assignment to/from the nearest AGDB will consume most of the RCOs'/SCOs'/other COs' time; thus, lesser time are allotted for the acceptance of tax returns payments and the performance of their other functions; and
4. The travel expenses that the RCOs/SCOs/other COs may incur for a month for purposes of depositing the tax collections, if the existing policy on set threshold and frequency of deposits is strictly enforced, will sometimes be more than their monthly allowance especially for those in the island municipalities and those that require special means of transportation (e.g. bancas, hired tricycles, etc.).

## **II. OBJECTIVES**

This Order is being issued to:

1. Prescribe the policies and guidelines relative to timeliness in depositing collections to AGDBs by RCOs/SCOs/COs;
2. Prescribe the policies and guidelines relative to the imposition of the appropriate sanctions to all concerned Bureau personnel, in case of non-compliance with the existing policies and guidelines on timely and intact remittance/deposit of collections; and
3. Define the duties and responsibilities of all concerned revenue officials for a more effective implementation hereof.
