The eBIRForms Package is developed primarily to provide taxpayers with accessible and convenient service through easy preparation. eBIRForms is an alternative mode of preparing tax returns which deviates from the conventional manual process of filling up tax returns on pre-printed forms that are highly susceptible to human error. The package allows the taxpayer to accomplish or fill up the forms offline. Taxpayers can directly encode data, validate, edit, save, delete, view and print the tax returns. The package has automatic computations and has the capability to validate information inputted by the taxpayers.

eBIRForms shall be available to all non-eFPS taxpayers with or without internet access. Taxpayers with internet access shall download the eBIRForms Package from the BIR website <http://www.bir.gov.ph>, while taxpayers without internet shall download the eBIRForms package from the BIR e-lounges.

Taxpayers need the following system requirements to install and use the eBIRForms Package:

- a. Supported Operating System: Windows 2000/XP/Vista/7;
- b. Hard disk drive space needed: at least 50 MB free space;
- c. RAM memory needed; Runs best on 2GB or higher ActiveX components via Internet Explorer version 8 or higher
- d. eBIRForms Package is best viewed in 1152 x 864 screen resolution

eBIRForms shall be printed on folio size bond paper (8.5" x 13"), portrait orientation/layout and page set up margins shall be Left: 0.146, Right: 0.148, Top: 0.14, Bottom: 0.14 inches.

All revenue officials and employees are hereby enjoined to give this Circular as wide a publicity as possible.

(Original Signed)
KIM S. JACINTO-HENARES
Commissioner of Internal Revenue
