REVENUE MEMORANDUM CIRCULAR NO. 49-2015

SUBJECT : Publishing the Daily Minimum Wage Rates in Region IV-B Pursuant to Wage Order No. IV-B No. 7.

TO : All Internal Revenue Officials, Employees and Others Concerned

For the information and guidance of all concerned, quoted hereunder is the full text of Wage Order No. IV-B No. 7 issued on April 29, 2015 and published in the Manila Times on June 18, 2015:

"

WAGE ORDER NO. IV-B-07

SETTING NEW MINIMUM WAGE RATES IN REGION IV-B

WHEREAS, Republic Act No. 6727, otherwise known as the Wage Rationalization Act, empowers the Regional Tripartite Wages and Productivity Boards to determine and fix minimum wage rates applicable in the regions and to issue corresponding Wage Orders subject to the guidelines issued by the National Wages and Productivity Commission (NWPC);

WHEREAS, in consonance with the NWPC Guidelines No. 2, series of 2012, the Regional Tripartite Wages and Productivity Board, Region No. 4B (herein referred to as the Board), continuously adopts the Two-Tiered Wage System (TTWS) in the exercise of its minimum wage function recognizing the need to improve workers' productivity and income, enhance enterprise competitiveness, generate jobs and strengthen the link between pay and productivity;

WHEREAS, the TTWS comprising of two parts namely the First Tier which is mandatory for implementation, and the Second Tier which is voluntary in nature, is designed to allow employers and their workers to improve the existing terms and conditions of employment including levels of wages based on labor productivity and business performance;

WHEREAS, a petition for minimum wage increase of P185.00 a day on the First Tier was filed with the Regional Tripartite Wages and Productivity Board (Board), Region IV-B, on 21 January 2015 by the Association of Minimum Wage Earners and Advocates;

WHEREAS, public hearings and consultations on said petition were conducted in San Jose, Occidental Mindoro; Calapan City, Oriental Mindoro; Odiongan, Romblon; Puerto Princesa City, Palawan and; Boac, Marinduque on 09, 11, 20, 24 March 2015 and 15 April 2015, respectively. The results of the public hearings and consultations showed that the P185.00 wage increase being sought by the petitioner is unrealistically high and that it could result in business decline and displacement of workers if granted, and if ever there will be wage adjustments, it will not be that high;

WHEREAS, majority of the participants likewise stated the position that there is a need to adjust the minimum wage of those still receiving below the poverty threshold level along the region's current socio-economic conditions vis-a-vis economic development goals and the need for reasonable returns on investment and job preservation;

WHEREAS, participants from the mining industry likewise expressed the position that there is a need to review and make proper adjustments of the minimum wage applicable to their sector.

WHEREAS, the Board recognizes the need to simplify the current wage structure in the region to make it aligned with the wage simplification policy of the NWPC;

WHEREAS, considering the results of the sectoral consultations, public hearings and the changes in the socio-economic indicators in the region, the Board has decided to provide workers with immediate relief to cope with the rising cost of living without impairing the viability of business and industry. The Board deemed it wise to increase the minimum wage so that it reaches a decent level above the poverty threshold but still be reasonable and equitable;

WHEREAS, to simplify the different industrial and geographical classification, the Board agreed to provide a separate minimum wage rate for the mining industry.

NOW, THEREFORE, the REGIONAL TRIPARTITE WAGES AND PRODUCTIVITY BOARD, REGION IV-B (MIMAROPA), by virtue of the powers granted to it under Republic Act No. 6727, otherwise known as the Wage Rationalization Act, hereby issues this Wage Order:
