**REVENUE MEMORANDUM ORDER 9-2006**

**SUBJECT : PRESCRIBING THE GUIDELINES AND PROCEDURES IN  
THE CONDUCT OF TAX COMPLIANCE VERIFICATION  
DRIVE (TCVD)**

**TO : All Revenue Officials, Employees and Others Concerned**

---

**I. BACKGROUND**

In line with the Bureau's effort to expand its tax base, enhance tax compliance and consequently boost its tax collection effort, the Commissioner spearheaded actual tax mapping activities under the Tax Compliance Verification Drive (TCVD) project pursuant to RMO 31-2003. This is aimed at establishing cordial relationship with taxpayer by giving assistance thru tax information drive and verification of taxpayer's compliance requirements during the actual visitation of taxpayer's establishment and its branches.

**II. OBJECTIVES**

This order is issued to:

1. Prescribe the guidelines and procedures in the tax mapping visitation activities to be undertaken by the Region as well as define duties and responsibilities relative to the conduct of Tax Compliance Verification Drive.
2. Adopt a uniform approach in the discharge of tax mapping functions to forestall inconsistencies and conflicts in the application of rules and regulations in the course of inspection of the establishments and contact with taxpayers or their representatives.
3. Emphasize the importance of courteousness, respectfulness and firmness in dealing with taxpayers and show them that a cordial relationship can be maintained between the taxpayer and the Revenue Officers.
4. Set a method of an on-the-spot determination of taxpayer compliance with, and the violation of the afore-cited requisites.
5. Provide for an immediate imposition of penalties for offenses committed in order to deter further commission thereof.
6. Maximize tax compliance thereby increasing revenue collection.

7. Prescribe the use of a mobile device as tool in order to aid the tax mapping activities of revenue officers thus, gearing towards the establishment of a TCVD database aligned with the Integrated Tax System (ITS) that shall automatically store all relevant information gathered during conduct of tax mapping operation.

### III. DEFINITION OF TERMS

1. **Host RDO** – is the Revenue District Office that has jurisdiction over the specific areas chosen for visitation.
2. **Target Area** – Each Revenue District Office will survey their area of responsibility to pinpoint places with high concentration of business establishments where a large number appears to be un-registered or with very low tax compliance.
3. **Tax Mapping Kit** – documents and tools that a Mobile RO should be equipped with during TCVD and shall include the following:
  - a. Mobile device, if applicable;
  - b. “Ask for Receipt” poster;
  - c. BIR Registration Forms;
  - d. Revised Taxpayer’s Guide;
  - e. Apprehension Slips;
  - f. Revenue Regional Special Order (RRSO) listing the participating authorized Revenue Officers;
  - g. Mission Order;
  - h. Taxpayer Information Sheet & Violations Checklist;
  - i. Tax Mapping Sticker; and
  - j. Other documents as may be required.
4. **MROS (Mobile Revenue Officers System)** – is a system aimed at providing the Revenue Officers with a wireless mobile device equipped with the facility to access the central database for recording and tracking of findings on taxpayer’s compliance during the conduct of tax mapping operation.
5. **Manual TCVD** - conventional way of conducting tax mapping operation without the use of a mobile device.

### IV. POLICIES

1. Each Regional Office shall be allotted an annual allocation of target visits which shall be prepared by Taxpayer Assistance Service (TAS) thru Taxpayer Service Programs and Monitoring Division (TSPMD) based on the latest number of business taxpayer.

2. This campaign will require the participation of Revenue Officers (RO) from all Revenue District Offices (RDO) of each Revenue Region (RR) who will jointly conduct tax mapping operations within specified target areas.
3. A Revenue Region Special Order (RRSO) "Annex A" shall be issued by the Regional Director enumerating the participating Revenue Officers; defining the activity/ies under the circumstances and shall likewise authorize the Host RDO to act on the reports and recommendations of all participating Revenue Officers regardless of the district offices where they are assigned. However, the team of Revenue Officers should always be headed by a Revenue Officer of the host district.
4. A Mission Order (Annex "B") shall be issued by the Regional Director authorizing specific Revenue Officers to compose the Tax Mapping Team, the area covered and the date/time of operation. One (1) Revenue Officer from the Host RDO shall be assigned in each Tax Mapping Team to sign the Taxpayer's Information Sheet (TIS) and Apprehension Slips issued to the taxpayer in the course of the tax mapping operations.
5. A Reminder Letter (Annex "D") shall be issued by the Tax Mapping Team to all business establishments being tax mapped.
6. The Revenue Officer shall report and recommend the suspension of the business operations and temporarily close the business establishment for unregistered business following procedures on existing issuances.
7. Each RDO shall prepare a map of target areas within their district and divide them into zones corresponding to the number of participating RDO to which a specified zone will be assigned to be tax mapped.
8. The Host RDO shall coordinate with the media and Local Government Officials including Local Chief of Police concerning the operational activity that will be undertaken in the area.
9. Group Supervisors shall guide and assist Revenue Officers under their supervision and shall ensure that the prescribed protocols are adhered to and observed by the ROs during the inspection and contact with taxpayers or their representatives.
10. All Revenue Officers shall always be identified by wearing his/her Official BIR ID and shall adhere with the required dress code (suggested dress code: red T-shirt with 'Tax Mapper' printed on it).
11. Payments relative to tax mapping shall be made through Authorized Agent Banks using BIR Form 0613 (Payment Form on Tax Compliance Verification Drive/Tax Mapping) "Annex E".
12. The Taxpayer's Information Sheet (TIS) shall be an Accountable Form.
13. Each Revenue Officer shall be provided with a tax mapping kit.

14. Key Performance Indicators (KPIs) shall be established based on the results of tax mapping activities conducted by each Regional Office.
15. The Commissioner or any of his authorized representatives from the National Office shall at any given time visit any tax mapping activity being conducted.

2. Coordinate and identify the Revenue Officers (RO) and Group Supervisors (GS) who will participate in the conduct of visitation including date/time of operation and forward the same to the Regional Director for approval and signature.

**2. ACTUAL TCVD CONDUCT**

**2.1 General Conduct**

**2.1.1 Revenue Officer (RO) shall:**

- a. Observe the following guidelines and procedures in the actual tax mapping activities:

1. Good grooming. Ensure that he is wearing the proper attire (clean, well-pressed clothing) when visiting a business establishment.
2. Courtesy. Always begin the visitation by saying a cheerful "Good Morning!" to any employee of the establishment, and to the manager of the establishment.
3. Proper Identification. Present his/her official BIR Identification Card when visiting an establishment. The taxpayer has the right to know and to be assured that the RO is a bonafide employee of the Bureau.
4. Explain to the taxpayer the objectives of the Tax Mapping Operations as clearly and concisely as possible. Again, the taxpayer has the right to be informed of the intent of any operation of the Bureau. An informed taxpayer is usually a more cooperative taxpayer.
5. Inform the taxpayer or officer-in-charge that he/she has been authorized to conduct an inspection of the taxpayer's premises to evaluate their compliance with laws and regulations pertaining to registration, bookkeeping, use of invoices and receipts, CRM or POS, or computerized accounting, if applicable, payment of taxes and filing of tax returns.
6. Politely but firmly decline taxpayer's request not to report incidence of non-compliance in exchange for something.
7. Inform the taxpayer of the consequences of any violations observed in taxpayer's establishment and cite the necessary provisions of law, if necessary, to support the RO's statement.
8. Commend the taxpayer and encourage him/her to continue in faithfully complying with internal revenue laws if RO did not observe any incidence of non-compliance in a particular establishment.
9. Before leaving the establishment, thank the taxpayer for his/her time and encourage him/her to continue paying his/her taxes.

**2.1.2 Group Supervisors shall:**

## **V.2 TAX COMPLIANCE VERIFICATION DRIVE (TCVD) THROUGH THE USE OF MOBILE REVENUE OFFICERS SYSTEM (MROS)**

### **1. Policies on the use of MROS**

- a. The Tax Mapping Team shall conduct Tax Compliance Verification Drive through the aid of a mobile device;
- b. The Tax Mapping Team shall be provided with one (1) mobile device for every team which shall be the responsibility of the Group Supervisor;
- c. The mobile device shall serve as aid for the tax mapping team in verifying taxpayer’s TIN (if registered in ITS) and encoding the results of tax mapping details as well as other related information by accessing the Taxpayers’ Information Sheet (TIS), Violations, Authority to Print (ATP) & other modules available to RO (refer to MROS User’s Guide).

- d. The tax mapping team shall encode details of tax mapping through the use of the mobile device, however they shall still be required to fill-up Taxpayers' Information Sheet (TIS) manually in duplicate to be signed by the taxpayer/representative and the Revenue Officer/Group Supervisor who conducted the tax mapping, duplicate copy to be given to the taxpayer/representative;
- e. The following are the available features of the Mobile Revenue Officers System (MROS):
  - e.1 **E-mail** – this facility enables the Revenue Officers to communicate through the wireless access and sending of corporate e-mail from anywhere and anytime.
  - e.2 **TIN Verification** – this module covers inquiries of Tax Identification Number of an individual or company.
  - e.3 **Taxpayer Information Sheet (TIS)** – caters to both inquiry & data entry through the following options:
    - 1. **Create TIS** – creates a TIS record of a visited establishment by filling up all pertinent taxpayer details.
    - 2. **TIS View History** – views the details of already committed TIS records on the database.
  - e.4 **Violations** – covers the detailed listing of violations per TIS record through selection of corresponding violation in the list and number of the offense made and finally the computation of the total value of the amount of penalties incurred.
  - e.5 **Authority to Print** – covers inquiries of registered ATP (Authority to Print) through search by Outbound Correspondence Number (OCN).
  - e.6 **Cash Register Machine/Point of Sales (CRM/POS)** – covers verification, capture and retrieval of relevant CRM/POS information.
  - e.7 **E-registration** – emulates the behavior of the existing TIN on The Web. This module covers verification of valid TIN on the database and enables the RO to issue TIN.
  - e.8 **Case Monitoring System (CMS)** – this covers verification of list of open cases of a taxpayer for a given date range.
  - e.9 **Collection & Bank Reconciliation (CBR)** – this module covers verification of list of payments made by a taxpayer by return periods and/or form type.

- e.10 **Reports** – this module enables the RO to generate various reports based on the results of Tax Mapping Operation.
  - e.11 Other functionalities as may be available upon identification.
- f. There shall be two modes of saving a TIS record using MROS:
  - f.1 **Save Draft** - keeps the record in the device (to the server of the mobile device) to allow further editing;
  - f.2 **Save and Commit** - keeps the record by transmitting it directly to the main TCVD server (National Office).
- g. Only the Regional Directors, Assistant Commissioners, Deputy Commissioners and Commissioner of Internal Revenue shall have the access to edit committed TIS records;
- h. ATP records shall follow existing procedures in the purging of records in ITS;
- i. Group Supervisors and Revenue Officers shall be given a maximum of five (5) working days to encode the Taxpayer Information Sheet (TIS)/Violations Checklist for all the establishments visited after a Tax Mapping Operation;
- j. For every TIS/Violations Checklist encoded for the day, ROs shall ensure that all details have been filled up completely and accurately. All uncommitted records (those that were made under the Save Draft Option) shall automatically be committed at 11:59 P.M. of the same day;
- k. A Mobile Revenue Officers System (MROS) Memorandum {Annex “Q”} for corrections on previously encoded results of Tax Mapping Operation (accompanied by reasonable justification/s) shall be filled up by Group Supervisors/Revenue Officers addressed to their respective Regional Directors copy furnished the office of the Assistant Commissioner – Information Systems Development Service for review and edit purposes;
- l. All transactions made by the RO who logged in the BIR application shall be his accountability. Logs can be verified anytime. Sharing of password is strictly prohibited;
- m. ATP, CMS and CBR Modules shall be made available anytime except when database batching occurs. The message “*Database is currently batching*” shall be displayed during these times;
- n. In the ATP verification module, the search parameters shall be as follows:

<b>RDC</b>	<b>Codes</b>
<b>QCY</b>	Starts with 4AU + 10 digit sequence number
<b>RR7</b>	Starts with 3AU + 10 digit sequence number
<b>CEBU</b>	Starts with 2AU + 10 digit sequence number
<b>MAKATI</b>	Starts with 9AU + 10 digit sequence number
<b>MANILA</b>	Starts with 1AU + 10 digit sequence number
<b>LTD</b>	Starts with 8AU + 10 digit sequence number

- o. In case of technical difficulties or Over-the-Air (OTA) installations for MROS, all mobile device users shall be notified through e-mail, the server downtime (specifying the date, time and reason);
- p. In the E-registration module, an e-mail shall be sent to the mobile user indicating the successful or unsuccessful registrants after seeing the message "Application is successfully submitted."
- q. The official standard format for permit numbers to be used for all Cash Register Machine (CRM)/Point of Sale (POS) shall be **MMYY-RDO#-5 digit Sequential Number-Branch Code** (Refer to RMO 29-2002).
- r. Different access levels to various modules of the BIR application shall be given to the Commissioner, Deputy Commissioners, Assistant Commissioners, Directors, Assistant Directors, Revenue District Officers, Assistant Revenue District Officers, Group Supervisors, and Revenue Officers.

## 2. Procedures

Refer to the procedures and guidelines under **V.1 (1-3)**. However, in the actual conduct of TCVD, the Tax Mapping Team shall refer to the **User's Guide for Mobile Revenue Officers System (MROS)** (posted in the BIR website) for procedures requiring the use of the mobile device. User's Guide for MROS contains instructions on the use of the mobile device and how to navigate BIR applications using the device.

## VI. TAXPAYER SERVICE PROGRAMS AND MONITORING DIVISION (TSPMD)

1. Receive reports from Tax Assistance Unit for possible enhancement of procedures and for the following Key Performance Indicators (KPIs):
  1. Actual Visited (registered)  
Target Visited (registered)
  2. New Registrants based on Tax Mapping  
Unregistered Taxpayers based on Tax Mapping
  3. Actual Collection from Tax Mapping
