DEPARTMENT OF FINANCE  
**BUREAU OF INTERNAL REVENUE**

March 15, 2010

**REVENUE MEMORANDUM ORDER NO. 29-2010**

**SUBJECT : Prescribing Guidelines and Procedures in the Processing and Payment of Certain Money Claims**

**TO : All BIR Officials, Employees and Others Concerned**

---

**I. Background**

The approval of the customized BIR Procurement Manual on May 31, 2007 and its consequent implementation brought about changes in the procurement of goods, consulting services and infrastructure projects with contracts, among others. In order to conform to these changes, procedures and documentary requirements in the settlement/payment of money claims emanating from such transactions were drawn up. At this point, however, it is apparent that enhancement to said procedures should be effected and made standard for all BIR offices as well as attach appropriate responsibility to concerned offices.

**II. Objectives**

This Order is issued:

1. To prescribe policies, guidelines and procedures in the processing and prompt payment of money claims on procurement of goods, consulting services and infrastructure projects with contracts;
2. To determine documentary requirements and set standards in the processing of said money claims by various Divisions/Offices; and
3. To define and delineate the duties and responsibilities of different Divisions/Offices involved.

**III. Policies**

1. All money claims shall be processed in accordance with existing budgeting, accounting and auditing rules and regulations.
2. No money claim shall be approved for payment unless duly supported by complete documentary requirements as specified in the Checklist of Requirements, Annexes A to M.

3. The responsible officer of the office involved must ensure the correctness and completeness of documents supporting the money claim.
4. Purchases made by the Agency must be inspected and verified by the Inspection and Acceptance Committee (IAC) to verify whether the deliveries conform with the specifications/terms and conditions in the purchase order (PO)/Job order (JO)/contract. Only the IAC is authorized to conduct inspection and issuance of the corresponding Inspection and Acceptance Report (IAR).
5. Claims with findings, deficiency or lacking requirements must be returned by the office which discovered the findings, deficiency or lacking requirements within one (1) working day.
6. No money claim shall be paid until the evidence of satisfactory inspection by the IAC, when inspection is required under existing rules and regulations, has been attached to the money claim.
7. All money claims subject to pre-audit by the Commission on Audit (COA) shall be paid only after a favorable audit action of COA Auditor has been made.
