"  
Republic of the Philippines  
Department of Labor and Employment  
National Wages and Productivity Commission  
REGIONAL TRIPARTITE WAGES AND PRODUCTIVITY BOARD  
Cordillera Administrative Region  
Baguio City

**WAGE ORDER NO. RB-CAR-17**

**PRESCRIBING THE NEW MINIMUM WAGE RATES  
OF PRIVATE SECTOR WORKERS IN THE  
CORDILLERA ADMINISTRATIVE REGION**

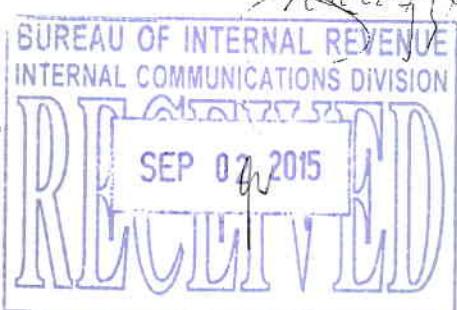

**WHEREAS**, RA 6727, otherwise known as the Wage Rationalization Act, empowers the Regional Tripartite Wages and Productivity Boards to determine and fix minimum wage rates applicable in the regions and to issue the corresponding Wage Orders subject to the guidelines issued by the National Wages and Productivity Commission, in particular NWPC Guidelines No. 01 of 2007, as amended by NWPC Guidelines No. 02 of 2012;

**WHEREAS** and in consonance with the aforementioned guidelines for the implementation of RA 6727, the Regional Tripartite Wages and Productivity Board – Cordillera Administrative Region (herein referred to as the Board) continuously adheres to policy requirements of the Two-Tiered Wage System (TTWS) in the exercise of its minimum wage fixing authority consistent with the policy of the government to provide safety measures for lowly paid workers, attain a higher level of productivity in the work area, increase employment and augment the income of workers through incentives, without necessarily impairing the growth of business and interest of employers particularly those in the micro enterprises group;

**WHEREAS**, it was the intent of the Board when it issued Wage Order No. 15 to attain a single floor wage level for the BILST Area and another for the Other Areas of the region after a certain period of time, aimed at enhancing the economic welfare of the most vulnerable group of workers who are the minimum wage earners;

**WHEREAS** and after considering that the current Wage Order has reached its first anniversary date and no petition for wage increase had been filed, the Board in its meeting on February 13, 2015, resolved Moto Proprio to initiate and conduct wage review, studies on the socio-economic condition of the region aside from undertaking a series of public consultations for possible wage adjustments on the current minimum wage levels;

**WHEREAS**, the public consultations were conducted on March 24, 2015 for the provinces of Ifugao and Mountain Province, March 25, 2015 for the provinces of Apayao and Kalinga, March 31, 2015 for the province of Abra, and on April 7, 2015 for the province of Benguet and Baguio City;

**WHEREAS**, the Board further resolved that in conducting the public consultations, a workshop for participants, grouped per sector shall be done to elicit their respective positions on the following issues: (1) Does the Two-Tiered Wage System (TTWS), as procedure for wage adjustments sufficiently address or is effective in balancing the interests of both workers and employers; and (2) The possibility of adjusting the minimum wage rates of workers under the First Tier and implementing the productivity based pay under the Second Tier;

**WHEREAS**, after a series of deliberations on the results of the public consultations and studies on the socio-economic conditions prevailing in the region, the Board has determined the following: (1) The TTWS, as a guideline for minimum wage adjustments, is well appreciated by both workers and employers claiming that it is more effective in balancing their respective interests; (2) There is a need to adjust the minimum wage levels of workers in the region; and (3) The need to assist the micro enterprises, providing them more opportunities to grow and therefore increase their contribution to the region's economic development and employment:
