**REVENUE MEMORANDUM ORDER NO. 3-2023**

**SUBJECT:** Regular Updating of Content of the Interactive BIR Citizen's Charter  
**TO:** All Revenue Officials and Employees and Others Concerned

---

**I. BACKGROUND**

Revenue Memorandum Order (RMO) No. 19-2021 was issued on June 3, 2021 to update the list of contents/information posted in the BIR Website and Employees Portal and the corresponding owner of said information in charge of regular updating of contents.

One of the contents regularly updated and posted in the BIR Website is the BIR Citizen's Charter, which is being posted as one (1) PDF file provided by the Public Information and Education Division (PIED) to the Content Management System (CMS) Administrator in the Systems Development Division.

Under the said setup, the updating of content of the BIR Citizen's Charter is done manually wherein concerned BIR offices (referred to as Content Owners) provide to the Bureau's Management Division their approved updates on the Bureau's external and internal services under their jurisdiction, which are then consolidated into one (1) Word file by PIED before it is converted into PDF and posted in the BIR Website by the CMS Administrator.

Since the BIR Citizen's Charter is posted as one (1) PDF file in the BIR Website, navigation through its content is difficult for the taxpayers/other users since they have to scroll down on almost the entire content in order to access the information on the particular BIR service(s) they are looking for.

It is in view of the foregoing that the BIR has developed an Interactive BIR Citizen's Charter that will make navigation and access to its various contents easy on the part of the taxpayers/other users and, at the same time, make the updating of content also easier on the part of the BIR Content Owners (since they can directly edit and post updates in real time, anytime; no need for consolidation by the Management Division and PIED).

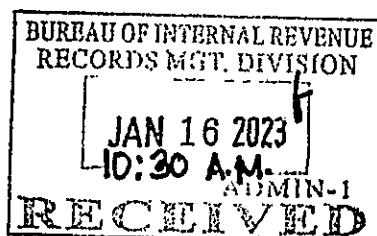

## **II. OBJECTIVES**

With the development of the Interactive BIR Citizen's Charter, this Order is being issued to:

1. Prescribe the policies and responsibilities of concerned BIR offices to implement the regular updating of information posted in the Interactive BIR Citizen's Charter; and
2. Identify the BIR offices (Content Owners) in charge of the regular updating of contents therein.

## **III. GUIDELINES**

3. The Content Management System (CMS) Approver (Head or Asst. Head of identified BIR office) and designated CMS Editor(s) of said offices shall publish new/updated articles in the Interactive BIR Citizen's Charter using the available CMS in the BIR. 6. For requests for deletion of existing information in the Interactive BIR Citizen's Charter, the Chief, ICD shall forward the same to the CMS Administrator for its implementation.
7. If there is a need to revise the presentation/layout of currently posted information in the Interactive BIR Citizen's Charter, the concerned BIR office shall have to make a formal request addressed to the Assistant Commissioner, Client Support Service (Attention: Chief, ICD) indicating the details/specifications for the desired revision and the name(s) and telephone number(s) of contact person(s). The ICD, in turn, shall coordinate with the CMS Administrator for the revision of the affected CMS template.

9. The Internal Communications Division shall prepare a memorandum to inform BIR officials and personnel of any updates in the Interactive BIR Citizen's Charter.

In case of retirement, resignation, transfer to another office, or replacement of an office's CMS Editor, the head of office shall ensure the transfer of CMS technology to the identified replacement (new CMS Editor) at least two (2) weeks before the effectiveness of retirement, resignation or transfer of the outgoing CMS Editor.
