In order to effect the transfer, a Deed of Transfer shall be executed between the Commissioner of Internal Revenue (CIR) and the Secretary of the DAR, and/or the Regional Director of the BIR and the Regional Director of the DAR, where the property is located, in accordance with existing policies. For this purpose, the BIR shall surrender to DAR all pertinent ownership documents covering the transferred asset such as:
 - a. Owner's duplicate copy of the certificates of title;
 - b. Tax declaration of the property; and
 - c. Other necessary documents to effect the transfer of ownership to DAR.

The LBP shall pay the BIR the appropriate or reasonable value of the land as just compensation thereof, within thirty (30) days from the registration of the Deed of Transfer by the Register of Deeds in favor of the DAR. The payment by the LBP shall be made in the following manner:

- a. At least ten percent (10%) in cash; and
- b. The balance in LBP bonds, payable in ten (10) years, bearing market rates of interest that are aligned with 91-day treasury bill rates, net of the

applicable final withholding tax. One-tenth (1/10) of the face value of the bonds will mature every year from the date of issuance until the end of the tenth (10th) year.

Direct payment in cash may, however, be mutually agreed upon between the farmer-beneficiaries and the BIR, subject to the approval of the DAR and the LBP.

For unlisted shares of stocks, the sale or disposition thereof may be effected thru negotiated sale with interested parties, provided that the best interest of the government is amply protected.

- 2.3. Negotiated or private sale of acquired/forfeited real assets shall be resorted to after two (2) failed public biddings, subject to the approval of the Secretary of Finance, pursuant to the provisions of Section 216 of the Tax Code, as amended. Relative thereto, the administrative remedy of foreclosure sale of levied real properties in payment of taxes where there is no bidder shall not be considered as failed public bidding for purposes of negotiated sale.

In the case of personal properties, however, the foregoing requirements of two (2) failed public biddings and approval of the Secretary of Finance can be dispensed with for purposes of entering into a negotiated or private sale of acquired/forfeited assets.

- 2.4. Unsold acquired/forfeited assets by the BIR may be transferred to interested government agencies, following the guidelines set forth in COA Circular No. 89-296 dated January 27, 1989 entitled "Audit Guidelines on the Divestment or Disposal of Property and Other Assets of National Government Agencies and Instrumentalities, Local Government Units and Government-Owned or Controlled Corporations and their Subsidiaries". The provisions of the Accounting Policies on Garnished Properties issued by the COA Government Accountancy and Financial Management Information Sector (COA-GAFMIS) can also be used as basis in the sale or disposition of the said assets/properties in favor of other government agencies.

3. The Minimum Bid/Floor Price

- 3.1. The Minimum Bid/Floor Price for real properties pursuant to the provisions of Section 6(E) of the National Internal Revenue Code of 1997, as amended, shall be the highest among the following:

However, the Commissioner or his duly authorized representative, thru the Technical Committee on Real Property Valuation (TCRPV) and under existing rules and regulations, may authorize the reduction of the minimum/ floor price, after taking into consideration the current status/condition of property (i.e. the property is located in area that is always flooded, the property is occupied by resistant informal settlers/squatters, etc).

- 3.2. In cases of acquired personal properties, the Minimum Bid/Floor Price shall be the FMV thereof, as determined by the Commissioner or his duly authorized representative, based on the official price canvass secured from at least three (3) disinterested parties such as dealers of second-hand goods, machineries, equipment, scrap items, and other personal properties. However, the Commissioner or his duly authorized representative, thru the recommendation of the concerned RDO and under existing rules and regulations, may authorize the reduction of the minimum/floor price of acquired personal properties, after taking into consideration the actual physical conditions of the assets to be sold/disposed.
- 3.3. With respect to acquired/forfeited shares of stocks, the Minimum Bid/Floor Price thereof shall be the following:
 - a. For stocks listed in the Philippine Stock Exchange, the prevailing price per share of the stocks traded in the stock market; and

- 3.4. For all other acquired/forfeited assets, the Minimum Bid/Floor Price thereof shall be determined by considering the inherent peculiarities of the assets and adopting the most realistic/practicable valuation method therefor, provided that the same were made to the best interest of the government.

4. Conduct of Public Auction Sale

- 4.1. A Bids and Awards Committee-Acquired Assets (BAC-AA) shall be created in each and every Regional Office to administer and supervise the disposal of all acquired assets thru public auction.
- 4.2. Public auction sale of parcels of land shall be done parcel by parcel or title by title on an “AS IS WHERE IS BASIS”. For personal properties, the auction sale thereof may be done by lot or on a per item basis, whichever is deemed most beneficial to the government and practicable by the BAC-AA, in consultation with the COA.
- 4.3. For purposes of pre-qualification, all bidders shall be required to post a bid bond, either in cash or manager’s check, to the Finance Division of the RROs within three (3) days before the scheduled date of public auction, unless the BAC-AA allows otherwise, in meritorious circumstances. The amount of bond shall be equivalent to ten percent (10%) of floor price/minimum bid price. It shall form part of the payment of the winning bidder. The bid bonds of the losing bidders, however, shall be returned to them immediately after the auction sale, in accordance with the existing guidelines and policies on refunds of posted bid bonds.
- 4.4. In order to have a valid bidding process, there should be at least three (3) participating bidders for each and every property or parcel of lot being auctioned.
- 4.5. The sale of acquired assets in a public auction shall be done through sealed bids to be witnessed by a representative of the COA.
- 4.6. Any person, natural or juridical, may participate in the bidding, provided that, in cases of real properties, foreign nationals (corporate or otherwise) and those disqualified under existing laws, rules and regulations, including employees of the BIR, shall not be allowed to participate thereto.
- 4.7. Only bids equal to or higher than the set floor price/minimum bid price shall be accepted by the BAC-AA.
- 4.8. The registered bidder who submits the highest bid shall be declared as the winning bidder, and shall be awarded the auctioned property. In case of tie-bids, a new sealed bidding shall be immediately conducted until such time that the same is broken.
- 4.9. The winning bidder shall pay the full amount of its/his/her bid either in cash or manager’s check to the Commissioner of Internal Revenue or the Bureau of

Internal Revenue, through the Regional Administrative Division of the Regional Offices, or thru the Electronic Filing and Payment System (EFPS) within two (2) days after his receipt of the Notice of Award (Annex "5") issued by the BAC-AA.

Failure or refusal of the winning bidder to pay the full amount of the bid within the prescribed period shall render the award void and the *bidder's cash bond shall be* forfeited in favor of the government, unless the Commissioner allows an extension of time to the bidder within which to fully pay the bid price.

In case of default by the winning bidder, the second and the third highest bidders, after being duly notified, may increase their respective bids to the amount equal to or higher than that of the highest bid; and whoever among them tenders the highest bid shall be awarded the auctioned property, in lieu of the defaulting bidder. The defaulting highest bidder shall be disqualified to further bid on the rest of the auctioned properties.

5. Award of the Public Auction Sale

- 5.1. All awards made by BAC-AA shall be subject to prior clearance/confirmation by the Commissioner, as reflected in the Report of Acquired/Forfeited Assets Sold through Public Auction for Confirmation/Approval (Annex "6").

- 5.5. The winning bidder shall be responsible, at his own expense, for the ejection of squatters and/or occupants, if any, on the auctioned real property, and in the hauling/transporting of the auctioned personal properties from the auction site or the area where the same are stored to the intended place of destination.
