TO : All Internal Revenue Officials and Employees, and Others Concerned

I. BACKGROUND

The COVID-19 pandemic and the fast advancement of technology have elevated social media to a new level of popularity and communication efficacy. It is for this reason that the Bureau of Internal Revenue (BIR) has adopted the use of social media (Facebook, Twitter, and YouTube) as an additional platform for the wide dissemination of information on tax-related matters through the issuance of Revenue Memorandum Order (RMO) No. 24-2018 on May 24, 2018.

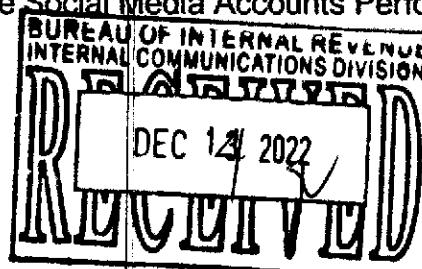

This was followed by the issuance of RMO No. 7-2022 on January 18, 2022 prescribing the policies and guideline in the creation and management of the Bureau's Revenue Regions (RRs) and Revenue District Offices (RDOs) respective official Facebook page, YouTube page and Twitter account, and requiring them to prepare semestral reports on their "Social Media Accounts Performance" that will include metrics on the Number of Page Reach on Facebook; Number of Views on YouTube; and Number of Followers on Twitter.

Moreover, under the Taxpayer Awareness Program, the RRs and RDOs will be ranked based on the evaluation of their Social Media Accounts Performance by the Public Information and Education Division per Section III.3 of RMO No. 27-2022.

II. OBJECTIVES
