**REVENUE MEMORANDUM ORDER NO. 6-2021**

**SUBJECT :** **Revised Guidelines on the Assignment and Re-assignment of Revenue Officers Involved in Excise Tax Functions to Establishments Where Articles Subject to Excise Tax are Made or Kept Based on Republic Act (RA) Nos. 10963, 11346 and 11467.**

**TO :** **All Revenue Officials, Employees and Others Concerned**

---

**I. BACKGROUND**

Section 16 of the National Internal Revenue Code of 1997, as amended provides that the Commissioner shall employ, assign, or reassign internal revenue officers involved in excise tax functions, as often as the exigencies of the revenue service may require, to establishments or places where articles subject to excise tax are produced or kept. Provided, "That an internal revenue officer assigned to any such establishment shall in no case stay in his assignment for more than two (2) years, subject to rules and regulations to be prescribed by the Secretary of Finance, upon recommendation of the Commissioner of Internal Revenue".

**II. OBJECTIVES**

This Order amends the previously issued guidelines under RMO No. 26-2017 dated June 14, 2017 due to the implementation of Republic Act (RA) Nos. 10963, 11346 and 11467 expanding the coverage of Excisable Industry such as Sweetened Beverage, Cosmetics, Heated Tobacco and Vapor Products. Thus, rezoning and reassignment is necessary to ensure the following:

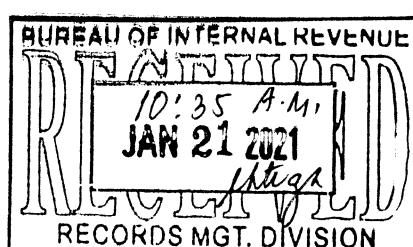

- a. Equitable deployment of Revenue Officers On Premise (ROOPs) based on their individual performance and expertise;
- b. Optimum distribution of ROOPs to establishments, particularly those whose operators require effective supervision and strict monitoring which are crucial to the Bureau's efficient collection of excise taxes; and
- c. Establishment of data base through internal and external stakeholder's coordination for related excisable products information. Such expansion resulted to an increase in the number of excise taxpayers and its production plants, warehouses and/or depots requiring supervision and monitoring by a limited number of internal revenue officers involved in excise tax functions.
