**REVENUE MEMORANDUM ORDER NO. 27-2022**

**SUBJECT:** Amendments on the Reporting and Evaluation of Accomplishments of RDOs under the Taxpayer Awareness Program

**TO:** All Revenue District Officers, Regional Directors and Other Concerned Revenue Officials and Employees

---

**I. BACKGROUND**

Since the implementation of the Taxpayer Awareness Program (TAP) in 2020, the level of tax information dissemination activities being conducted by the Revenue District Offices (RDOs) kept on improving in spite of the challenges and restrictions brought about by the COVID-19 pandemic.

It is because of the said challenges and restrictions that the use of social media has gained more prominence and popularity as a potent communication channel to reach out to taxpayers during the COVID-19 pandemic.

In view of this, the Bureau of Internal Revenue (BIR) has issued Revenue Memorandum Order (RMO) No. 7-2022 on January 18, 2022 establishing the policies and guidelines for the creation and management of official social media accounts of the Bureau's regional and district offices. In the said Order, the regional/district offices are required to prepare semestral report on their "Social Media Accounts Performance" that will include metrics, namely: no. of page reach (for Facebook), no. of views (for YouTube), and no. of followers (for Twitter).

With this new reportorial requirement for the RDOs and considering the difficulty in reporting and validating the social media postings of the RDOs under the TAP, there is a need to streamline the reporting of accomplishments under the Program.

Furthermore, with the issuance of RMO No. 25-2022 (BIR Operational Key Performance Indicators for the Revenue Regions, Large Taxpayers Service and Revenue District Offices) on April 28, 2022, there is also need to revise the guidelines in the determination of Score and OPCR Rating of RDOs under the TAP.

**II. OBJECTIVE**

This Order is being issued to:

1. Prescribe the amended guidelines in the reporting of accomplishments under the Taxpayer Awareness Program (TAP);

6

11 next year

2. Revise the matrix being used as guide in the determination of Score and OPCR Rating of RDOs under the TAP; and
3. Prescribe the revised templates in the reporting of accomplishments under the TAP.

### **III. GUIDELINES**

1. The “**Posting of Tax Information Materials in Social Media**” (Facebook, YouTube, etc.) shall no longer be reported under the TAP, starting with the RDOs’ 1<sup>st</sup> Semester 2022 accomplishment report, since it shall be evaluated separately under RMO No. 7-2022.
2. The RDOs shall continue the preparation of their own tax information materials (i.e., instructional videos, AVPs, social media cards, etc.), for approval by their respective Sub-Social Media Team Head prior to posting in their official social media accounts.

The tax information materials prepared and posted by the RDOs in their official social media accounts shall also not be reported under the TAP since posting of the same in the social media shall directly affect/impact the RDOs’ “Social Media Accounts Performance” (no. of page reach, no. of views and no. of followers) to be monitored/evaluated by the Public Information and Education Division (per RMO No. 7-2022). This is based on the premise that the more quality tax information materials<sup>1</sup> are posted in the RDOs’ social media accounts, the more taxpayers shall be interested to visit, view and read the tax information posted therein, thus increasing the no. of page reach, no. of views and no. of followers of the RDOs’ social media accounts.

3. To capture the contribution to the TAP of “Posting of Tax Information Materials in Social Media”, Points shall be given to the RDOs based on their “Social Media Accounts Performance” ranking as follows:

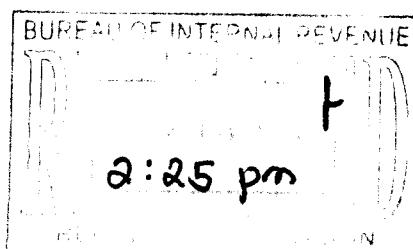

RDO’s Rank in “Social Media Accounts Performance”*	Points**
First 15 RDOs in the Nationwide Ranking	60
Next 20 RDOs in the Nationwide Ranking	50
Next 30 RDOs in the Nationwide Ranking	40
Next 35 RDOs in the Nationwide Ranking	30
Remaining RDOs in the Nationwide Ranking	20

\*To be based on the report to be prepared by the Public Information and Education Division.

\*\*To be added by the Internal Communications Division to the RDO’s Total Points for the semester.

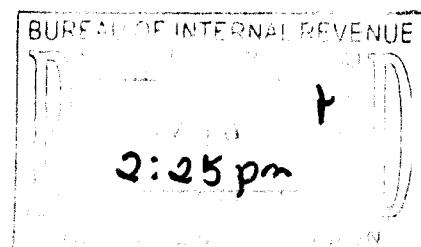

---

<sup>1</sup> Quality tax information materials are informative, relevant/updated, accurate, easy-to-understand and creative in presentation (with graphics, animation, audio, etc.).

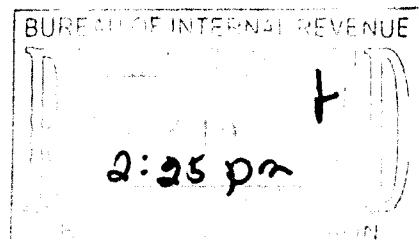

4. The guidelines in the giving of Points to the other tax information dissemination activities of the RDOs shall remain the same, with some clarifications (that shall be strictly observed) indicated hereunder.
