REVENUE MEMORANDUM ORDER NO. 23-2015

SUBJECT	**:**	**Availability of "Employee Matters" in the BIR Portal, Guidelines to its Access and Regular Updating of its Content**
TO	**:**	All Revenue Officials and Employees

I. BACKGROUND

On August 1, 2014, the Bureau of Internal Revenue (BIR) launched its enhanced BIR Website (www.bir.gov.ph) that is compliant to the standard "look and feel" for government websites prescribed under Administrative Order (AO) No. 39 issued by President Benigno S. Aquino III on July 12, 2013.

In addition to the adoption of the standard "look and feel" for government websites, the use of prescribed Content Management System (CMS) was also mandated under the said AO for the regular posting/updating of contents. Toward this end, the BIR has issued Revenue Memorandum Order No. 31-2014 to specify the information for publication in the BIR Website, and prescribe the policies and responsibilities of concerned BIR offices to implement the regular updating of information published in the BIR Website.

However, said information that are currently posted in the BIR Website are <u>public information</u> that can be accessed by the Bureau's internal and external stakeholders. Internal information (dubbed as "Employee Matters") are purposely not included in the BIR Website since the same should be accessed only by BIR employees. For this reason, an "Employee Matters" portion shall be made available in the BIR Portal to revenue officials and personnel who have registered and logged on to the system. Initially, it will include the following information:

a. HR Policies on recruitment/promotion; compensation and benefits; performance evaluation; internal transfer; SALN/CPS submission and separation from BIR
b. BIR Personnel Forms (i.e. Personal Data Sheet, Clearance Forms, Application for Leave, etc.)
c. Training Schedules
d. Training Issuances/Scholarships
e. Gender & Development Program

II. OBJECTIVES

With the inclusion of an "Employee Matters" portion in the BIR Portal, this Order is being issued with the following objectives:

1. Specify the information to be posted under the "Employee Matters" portion of the BIR Portal and the corresponding owner of information in charge of regular updating of its contents;

2. Prescribe the guidelines on how revenue officials and personnel can register and log on to the BIR Portal to access the "Employee Matters" portion; and

3. Prescribe the policies and responsibilities of concerned BIR offices to implement the regular updating of information posted under the "Employee Matters" portion of the BIR Portal.

III. DEFINITION OF TERMS

1. Content Management System (CMS) - software (Joomla) used by identified Content Managers (CMS Editors and CMS Approvers) to create and edit entries for the publication in the BIR Website of pre-approved articles *(as specified in Annex A and explained in Section IV.3 of this Order).*

2. CMS Editors – appointed BIR personnel who create entries in the CMS for the posting of pre-approved articles in the BIR Website. This is done by inputting text and uploading soft copy of pre-approved documents or images as attachment.

3. CMS Approvers – designated BIR officials per identified office who review, edit and save the entries created by their respective CMS Editor(s) via the CMS for the publication of pre-approved articles in the BIR Website.

New CMS Process Flow

The content management process starts with the CMS Approver logging-in in the CMS (Joomla). Using Joomla, the CMS Editor then creates entry(ies) in the CMS for the posting of pre-approved article(s) in the BIR Website. The CMS Approver then reviews the entry(ies) made in the CMS in terms of accuracy, and edits it, if necessary. If major corrections are needed, the CMS Approver may ask the CMS Editor to re-do the creation of entry(ies) in the

CMS. Once the entry has been reviewed and verified to be accurate, the CMS Approver saves the entry(ies) in the CMS resulting to its real-time publication in the BIR Website.

IV. POLICIES

1. Heads and Asst. Heads of BIR offices identified as content owners in Annex A of this Order shall ensure the regular and timely updating of their assigned/owned information posted in the "Employee Matters" portion of the BIR Portal.

2. The designated CMS Approver and CMS Editor(s) of said offices shall use Joomla to publish new/updated articles in the BIR Portal. For this purpose, a CMS account has been created per concerned BIR office, which should be kept secure at all times by the CMS Approver.

Articles for posting in the BIR Portal should be reviewed and approved first by the respective head of office and Assistant Commissioner/Deputy Commissioner, where necessary, in order to ensure its accuracy. 4. Whenever there is a need to post/publish new information (information not yet currently posted) under the "Employee Matters" portion of the BIR Portal, the concerned BIR office shall make a formal request (using the form in Annex B) addressed to the Chief, Internal Communications Division (ICD). In the request, the following details shall be specified:
   a. Information for posting (hard and soft copies should be attached to the formal request);
   b. Name of designated CMS Editor; and
   c. Name(s) and telephone number(s) of contact person(s) in the office.

5. The Chief, ICD shall request the Systems Development Division (SDD) to create a new template in the CMS to implement the regular posting of said information in the "Employee Matters" portion of the BIR Portal and its succeeding updates by the office that made the request.

The ICD, in turn, shall coordinate with the SDD for the revision of the affected CMS template.

In case of retirement, resignation, transfer to another office, or replacement of an office's CMS Editor, the head of office shall ensure the transfer of CMS technology to the identified replacement (new CMS Editor) at least two (2) weeks before the effectivity of retirement, resignation or transfer of the outgoing CMS Editor.
